

The IRS has published Notice 2020-23 that extends all taxpayer filings and payments due on or after April 1, 2020 and before July 15, 2020. **This includes those that have an extended deadline of 4/15 to file their 5500 (June 30, 2019 plan year-end). They will now have until July 15, 2020 to file.**

The notice does not extend the 5500 for calendar year end filers with a 5500 due July 31. Those wishing to have an extension will still need to complete a Form 5558 unless additional relief is provided.
